

CERTIFICATE

The certification body certifies that

TDE Thonhauser Data Engineering GmbH

Parkstraße 25
8700 Leoben
Austria

has implemented and maintains an occupational health and safety management system in the sector of

all activities related to data acquisition, integration, storage, processing, visualization and analysis and development and operation of software.

A certification audit has verified that this occupational health and safety management system fulfils the requirements of the international standard

ISO 45001:2018.

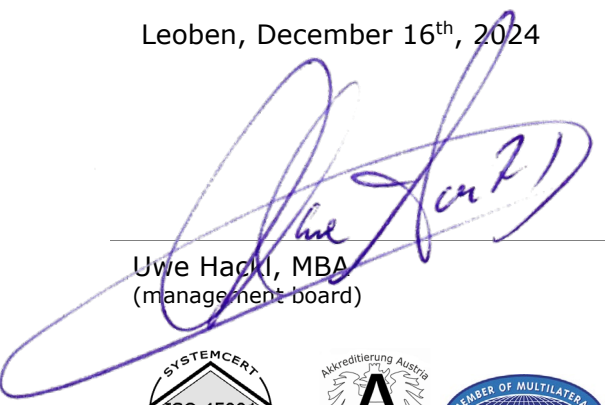

first certification on: December 16th, 2024
valid to: December 15th, 2027

The validity of this SystemCERT certificate requires annual surveillance audits and a three-year re-certification audit.
